

JAYANT KOLAPKAR

Indian Institute of Information Technology Kottayam, Kerala 686635

+91 9422065902 kolapkar21bcs132@iiitkottayam.ac.in LinkedIn - Jayant Kolapkar Github - jayant-kolapkar

Technical Skills

Languages: Python, R, SQL, C, C++, HTML/CSS, JavaScript

Developer Tools: Power BI, Google Cloud Platform, AWS, Kubernetes, Docker, Linux, GitHub

Professional Experience

S R Electricals

January 2024 – April 2024

Data Science Intern

Surat, Gujarat

- Boosted inventory management efficiency by 15% by developing machine learning models for demand forecasting.
- Increased marketing campaign effectiveness by 10% through executing A/B tests to evaluate business strategies.
- Enhanced data accessibility by 30% by optimizing data collection and processing pipelines using Python and SQL

Memento Media

March 2023 – July 2023

Artificial Intelligence Researcher

Remote - Bratislava, Slovakia

- Conducted in-depth research on cutting edge generative AI models like GPT 4.0, Claude Opus, Claude Sonnet, Palm 2, comparing and studying them extensively.
- Developed and optimized chatbots using state-of-the-art AI technologies, enhancing user interaction.
- Implemented API programming to integrate various AI platforms, improving system functionality

YHills

October 2022 – November 2022

Data Analyst Intern

Remote - Noida, UP

- Improved data quality by 25% by implementing robust data collection and cleaning processes using Excel and SQL
- Accelerated decision-making processes by 20% through conducting detailed data analysis and creating predictive models using Python.
- Enhanced stakeholder communication by developing interactive dashboards that reduced report generation time by 40%.

Projects

Football Player Tracking and Analysis Project | Python, YoloV8, OpenCV, Scikit-Learn

June 2024

- * Implemented YOLOv8 for real-time detection and tracking of players, referees, and the ball. and utilized K-Means clustering for automatic team division based on jersey colors
- * Developed algorithms for ball speed calculation and team possession analysis.
- * Created dynamic on-screen graphics using OpenCV for live game statistics display.
- * Enhanced player performance metrics through speed and distance covered measurements.

Netflix Movie Recommender | Python, Flask, HTML, CSS, JavaScript

July 2023

- * Created an offline web application for personalized movie and TV show recommendations.
- * Implemented content-based filtering and KNN algorithms for accurate suggestion generation.
- * Developed a user-friendly interface allowing multi-language search and preference input.
- * Integrated a comprehensive database of shows with detailed metadata for informed recommendations.

Resource Orchestration of Serverless-Enabled Healthcare Applications | Honors Project, Ongoing

March 2024

- * Designing and implementing a serverless architecture for a healthcare application, leveraging cloud-based serverless computing services of OpenFaaS to optimize resource utilization, scalability, and cost-effectiveness.
- * Developing an event-driven, microservices-based architecture using serverless functions, enabling modular and independently scalable components for improved maintainability and responsiveness.

Offline Handwritten Notes Text Recognition | Python, TensorFlow

January 2024

- * Developed a CRNN (CNN-RNN) model with a CTC layer for offline handwriting recognition.
- * Achieved 73.55% word accuracy and 89.28% character accuracy after 100 epochs of training.
- * Implemented data augmentation techniques to improve model robustness and generalization.
- * Optimized the model for efficient inference on various handwriting styles and qualities.

Education

V.P's V.G. Bal Vikas Mandir

May 2005 – May 2018

Indian School Certificate Examination (ICSE X Board)

Overall Percentage: 95.5%

Ashok Vidyalaya and Jr. College

June 2018 – February 2020

Higher Secondary Certificate Examination (XII Maharashtra State Board)

Overall Percentage: 85.54%

Indian Institute of Information Technology Kottayam

September 2021 – May 2025

Bachelor of Technology in Computer Science, Honors

Cumulative CGPA (Sem VI): 8.05

Relevant Certifications

- | | |
|-------------------------------------|-----------------------------|
| • TensorFlow-Keras Bootcamp | OpenCV University, Jun 2024 |
| • Power BI Beginner to Pro Workshop | Pragmatic Works, Jul 2024 |
| • Python Programming for AI and ML | NIT Warangal, Nov 2021 |
| • Data Science Bootcamp | YHills, Nov 2022 |
| • OpenCV Bootcamp | OpenCV University, Jun 2024 |

Relevant Coursework

- | | | | |
|---------------------------|-------------------|-------------------------------|--------------------|
| • Database Management | • Software Design | • Data Mining and Warehousing | • Machine Learning |
| • Artificial Intelligence | • Cloud Computing | | • Deep Learning |

Leadership / Extracurricular

Joint Secretary

January 2022 – Present

Mess Committee

IIIT Kottayam

- * Worked on Quality control and Expense management.
- * Managed executive board of 10+ members and ran weekly meetings to oversee complaints and progress.
- * Led chapter of 40+ members to work towards improving the quality and experience of the mess food daily.

Lead Content Writer

January 2023 – January 2024

CyberSecurity Club

IIIT Kottayam

- * Created and wrote several hours of spoken and readable content.
- * Wrote SEO-optimized and engaging captions and content for the Instagram account of CSC.
- * Led chapter of 20+ members in conducting various Cyber Security related hackathons, competitions, seminars, talks and events.

Music club lead

February 2023 – Present

Wildbeats club

IIIT Kottayam

- * Lead singer and manager of the official college band, which held its concert during Apoorv 24' with over 500 attendees.
- * Lead and coordinated a team of 15+ musical artists.
- * Held several jamming sessions and musical events with a combined attendance of 300+ participants.

Outreach lead

February 2023 – Present

Trendles club

IIIT Kottayam

- * Lead the outreach team in getting sponsors and inviting other colleges to Apoorv 24', the Techno-Cultural fest of IIIT Kottayam.
- * Managed the team in secure more than 10 lakhs in sponsorship money for the fest.
- * Signed 10+ MOU's with fellow colleges and institutions.

Technical Content Writer

February 2022 – February 2023

LitSoc - Trendles club

IIIT Kottayam

- * Increased the interaction count of social media posts by over 50% with attractive and SEO-optimized content.
- * Wrote scripts for 10+ videos shot for promotion.
- * Organized 5+ literary events which amassed over 100 participants.
